

Our Commitment to You

The East Texas Symphony Orchestra through quality performance of classical and contemporary music endeavors to educate, enrich, and enlighten audiences. We create a unique musical fabric for East Texans through presentation of varied musical works and musicians in our Masterworks Series, Young Peoples' Series, Pops concerts, and through community engagement collaboratives.

We believe in the lifelong power of symphonic music to inspire, rejuvenate, and sustain the soul.

What is the Annual Fund Campaign?

The purpose of the Annual Fund campaign is to sustain the work of the East Texas Symphony Orchestra Association. Your support helps to bridge the gap between ticket sales revenue, which covers less than 25 percent of actual concert production costs, and total operating expenses.
